

PYROSHADES

CUSTOM COLOR MUGS

TIRED OF THE SAME OLD COLORS? NEED A MUG IN A UNIQUE COLOR RIGHT AWAY? LOOKING FOR A CUSTOM COLOR IN SMALLER QUANTITIES? WE CAN HELP!

[HOW IT WORKS]

Choose from the select mug and glass styles available, and provide the PMS color and artwork desired. The mug will be colored to match the PMS color you supply, then imprinted as needed.

[APPLICATIONS]

Great for:

- Programs with hard to find colors.
- New Corporate logos, Identity Programs
- Sports Teams, School Award Programs
- Awareness Programs
- Color-of-the-Year Items

[THINGS TO KNOW]

- Other mug styles and color combinations are available. Contact us for information.
- Most PMS colors are available including iridescent gold and silver.
- Can also be combined with other special effects like Braille or Vanish-Ink.
- These custom color mugs can be produced with low minimums, quick onshore delivery, and with a USA production process.

NOTE: PyroShades products are produced with a proven Organic Polymer coating. Though tough and durable, it can be dulled with abrasive or metal scrubbers and scratched with hard sharp objects. For this reason, we recommend hand washing to keep your PyroShades product looking great.

Please contact us for details.
subject to minimum quantities

We are utilizing proven technology with many color options available. Contact us to explore your options!

* Certain PMS colors may require close, but not perfect, matches due to the properties of the color involved.
